

A VOID

Press voices:

..... Makes this evening exceptional. A, one might say, deeply touching event. Ever again one looks at Heshiki's wonderful, serene expression. Rarely was the gaze of a dancer so perceptible. One hardly believes it: deprived of virtually all technical means, two uncompromising artists (...) expose themselves relentlessly in a daring endeavour. That they prevail so convincingly is equally a triumph of art. One may accept this evening as a gift.

Bettina Schulte, Badische Zeitung (Baden Newspaper), 30th March 2004 (about „A Void“)
